## Welcoming Summer

Saturday, May 2nd

1:00 p.m.

**B**ealtainne celebrates the end of Winter and arrival of Summer in the ancient Celtic tradition. We entreat you to gather with us to greet the lengthening days of Summer with this final Spring festival. As is our tradition, we will feature an Eisteddfod and invite you to bring a story, song, musical instrument, recollection, or interpretive dance to share with the group if you feel so called.
