

Columcille Megalith Park

The background is a vibrant stained glass design. At the top, a large circular medallion depicts St. Francis with a halo, his hands raised in blessing, and a small bird perched on his left hand. Two other white doves fly on either side of the medallion. Below this, a yellow rectangular box contains text. In the lower section, a grey wolf stands on the left and an orange tabby cat sits on the right, both surrounded by colorful flowers. Another yellow box with text is positioned between the wolf and the cat.
